

Summer Crisis Benefits for Seniors

This year, The Milwaukee County Energy Assistance Program wants to make sure your summer is a little easier and safer. You DON'T need to be behind in your payments and you DON'T need to be facing a disconnection. You just need to have a utility expenses like gas, oil or electric and be within the income guidelines for your household size.

We know that summer can be just as dangerous as winter for seniors, especially those taking certain medications, so Energy Assistance wants to help.

If you've never applied for Energy Assistance before or never needed assistance for a disconnection notice, this is the time to apply.

If you are facing a disconnection or need a payment plan, we can help with that too.

Applying is easy. How does it work?

Call us at 270-4-MKE (270-4653) and talk to one of our representatives to learn more about the program. They can even schedule an in-person or phone appointment for you.

Go to EnergyAssistanceMKE.org to schedule an appointment and read more about the program.

Come into one of our 6 sites to apply or ask for information. Sites are open 8 am to 5 pm Monday through Friday.
